Know Questions Bible Crossword Puzzles
GENESIS through DEUTERONOMY
by Aquila N. Priscilla

Salvation depends upon the assimilation of the mind to the divine ideas, principles, and affections, exhibited in the Scriptures. This process commences with a belief of the gospel, but it is by no means completed thereby; it takes a lifetime of untiring diligence for its accomplishment. The mind is naturally alien from God and all His ideas (Rom 8:7; 1Cor 2:14), and cannot be brought at once to the divine likeness. This is a work of slow development, and can only be achieved by the industrious application of the individual to the expression of His mind in the Scriptures of truth. The infallible advice then to every man and woman anxious about their salvation is **B READ THE SCRIPTURES DAILY.** *Robert Roberts*

To help you remember what you have just read from the Bible, we suggest completing one Bible Crossword Puzzle (based on several consecutive chapters from a book of the Bible) each day.

Some suggestions for using Know Questions Bible Crossword:

- (1) First read the portions in the King James Version of the Bible.
- (2) With your Bible **closed**, answer all the questions you can.
- (3) **Open** your Bible and look up the verse at the end of each question where the answer can be found. How did you do?
- (4) For more information and context, try looking up additional verses often shown in brackets at the end of the question.
- (5) These crosswords works well for one, but even better with group participation.

By following this procedure you will find out what you know and learn even more.

THIS IS A CHALLENGE FOR US ALL

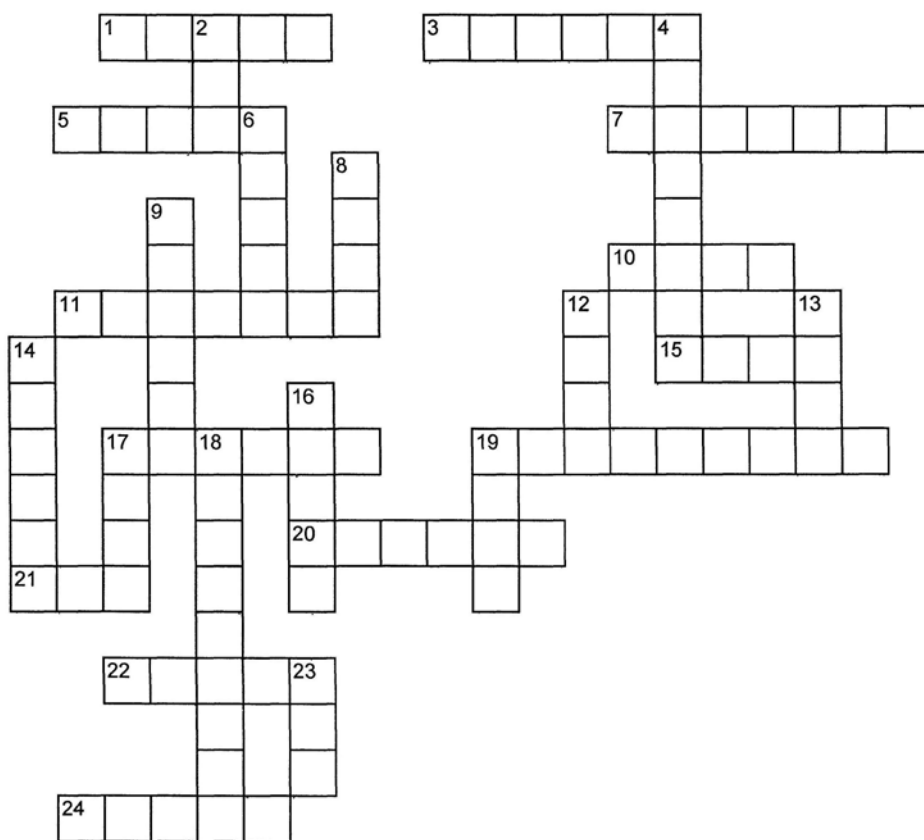

NOTE: If you do one puzzle a day (Genesis to Revelations) you will have read the entire Bible in a period of one year. The division of Bible chapters is based on a plan¹ first published in the Testimony Magazine Dec. 2016 by Jeremy Thomas.

This Bible reading plan is based on reading an entire book consecutively, although the book order shifts from Old to New Testament on a regular basis. The Psalms are read every seventh day.

Under each puzzle grid, the week and day corresponding to the Alternative Bible Reading Plan is listed for your convenience.
